Euro- pean Labour Law Net- work

National Experts of the European Labour Law Net- work

The members of our European Labour Law Network are highly qualified experts in the field of collective and individual labour law. The Network represents all Member States of the European Union and the EEA states.

The experts' task, in general, is to provide information on national labour laws in relation to European labour law. The following individuals represent their country in the European Labour Law Network as national experts (in alphabetical order of countries):
